RE : Your report on Seclusions and Restraints

The above-mentioned document has been discussed at the meeting of the Administrative Committee on Quality Assurance held yesterday.

All the members of this committee would like to thank you and your team for an excellent piece of work.

It was recommended that the Administrative Committee on Quality Assurance study our present policies and procedures on Seclusion and Restraints and start an evaluation committee to make sure that these policies and procedures are being followed throughout the hospital.

We hope this will be satisfactory to you.
