Dr. H. Olders
SMBD-Jewish General Hospital

Dear Dr. Olders,

I would like to take a moment to thank you for the time you gave me out of your busy schedule on April 25, 1997 to explore the possibility of sharing few ideas and visions with me concerning Information Systems.

As well, I very much appreciate your quick response in sending me the document concerning Information Systems at the Douglas Hospital.

Hoping that together by sharing ideas we will be able to achieve successful objectives concerning Information Systems for our institution.

Sincerely,

Jack Benzaquen
Director of Technical Services
