Henry
Dear Dr. Olders,

We of AMI-Québec would like to thank you most heartily for the splendid cooperation and organization of the seminar on May 5, 1992.

It is your interest and enthusiasm that made this project possible in the first place, then ensured its ultimate success.

It was a privilege for us to work with you on this occasion, and we hope we can continue to count on your support.

Yours sincerely,

Monty Berger
President
