Dear Henry:

Thank you for your nice letter of the 14th June expressing your appreciation for your year of residency in Psychiatry at the Douglas Hospital. We were very pleased to have you at the Hospital and I also enjoyed having you at our meetings of the Board of Directors of the Centre. I understand that you have one more year of residency to complete and that you may come back to the Douglas. I certainly hope that you will return to the Hospital and that we will see a great deal more of you in the future. In the meantime, I send you my best regards and wish you a successful career in Psychiatry.

Yours sincerely,
