Dr. Henry Olders
Department of Psychiatry
Jewish General Hospital
3755 Côte Ste-Catherine
Montréal, Québec H3T 1E2

Dear Dr. Olders,

Thank you for your seminar, Geriatric Psychiatry, in Block E of the Diploma Course. For your information, I am enclosing a summary feedback form with verbatim comments. As you can see from the response, your seminar was again well received and much appreciated by the resident group.

Your participation in this course is greatly appreciated and I hope that you continue this teaching function in the future.

Sincerely,

Joanne Joly, M.D.
