Department of Psychiatry
Room A-541

Dear Dr. Olders:

I would like to express my great appreciation for the meeting we had last *week regarding "psychosocial aspects of dealing with patients in the Department of Radiation Oncology"*. I thank you in advance for your interest and efforts towards achieving this goal, which will have a positive impact on our patients.

I am looking forward to cooperating with you.

Please accept my best personal regards.

Sincerely,

G. Shenouda, M.D.
