Dr. Henry Olders

Rm., A 541

SMBD Jewish General Hospital

Dear Henry:

We were most appreciative to you for addressing our recent Body and Soul Lecture.

As a token of thanks by way of an honorarium, we have selected for the Institute of Community & Family Psychiatry Library a book commemorating your donation of time. The book inscribed with your name is "Handbook of the Psychology of Aging" by William Reichel.

Once again many thanks for your insightful and entertaining talk,

Sincerely,

RONA SMALL
