Dr. Henry Olders  
Co-Director Psycho-Oncology Clinic  
SMBD - Jewish General Hospital, 5 East  
3755 Cote Ste-Catherine  
Montreal QC H3T 1E2

Dear Dr. Olders:

Just a short note to thank you for a stimulating presentation during our 1999/2000 Epidemiology seminars. Your talk entitled "*Fatigue and sleep in cancer: can too much sleep be bad for you?*" was of much interest among the members of the Centre for Clinical Epidemiology and Community Studies.

We look forward to an update in the future.

With best regards,

Mark J. Eisenberg, MD MPH  
Seminar Coordinator  
Assistant Professor  
Department of Medicine  
Jewish General Hospital
